

MSE

Penn Engineering

The Department of **Materials Science & Engineering**

INVITES

**SEAS FRESHMAN and OTHER INTERESTED STUDENTS to
AN OPEN HOUSE TO EXPLORE THE CURRICULUM IN**

NANOSCALE MATERIALS SCIENCE & ENGINEERING

Meet with faculty and MSE undergraduate students.

Ritesh Agarwal *will present:*

“The Wonderful Nanoscale World”

**Thursday, October 29 / 5:30 pm
LRSM Building, 33rd & Walnut St.
1st Floor Reading Room**

Courses:

Nanoscale Functional Materials
Structural & Biomaterials
Structure at the Nanoscale
Soft Materials
Nano-scale Materials Lab
Computational Materials Science
Intro to Nanotechnology

250 nm

www.seas.upenn.edu/mse/

RSVP to Vicky Lee Truei <vickylt@seas.upenn.edu>

Pasta, refreshments, and some Halloween fun will be provided.
