

SAAST 2008
Supplemental Instructions for filling out the I-20 Application Online

1. Make sure you use the 9-digit student ID number given to you in your letter of admission.
2. For “Education Level” choose **Undergraduate**.
3. For “Admitting School” choose **Undergraduate Engineering and Applied Science**.
4. For “Program” choose **SAAST**.
5. Where you have the choice between an F-1 and a J-1 visa, choose F-1, unless you have a strong reason to think you qualify for a J-1; in that case, please contact Christine Brisson at brisson@seas.upenn.edu.
6. For “Funding for following years” choose “I expect to rely on the same sources...” since it doesn’t really matter what you say here because you are coming for a three-week program.
7. For “Shipping” you are *strongly advised* to choose the **FedEx** option. International mail delivery is slow, unreliable, and can’t be tracked. If you do not get these documents in time to bring them to your consulate to get a visa, you will not be able to attend SAAST!
