Notice to International Students Regarding Move-in Date

The normal move-in period for students attending SAAST is from 12 noon – 3 pm on Sunday, July 13, 2008, with Orientation beginning at 3 pm. However, we understand that due to the distances involved, it can be difficult if not impossible for students traveling from abroad to arrange to arrive during move-in time.

Please understand that services will be minimal during that time and meals are not included (the first included meal is dinner on Sunday, July 13th). Our RTA staff will be living in the dorms, and they will welcome early-arriving students and briefly explain the residential system and regulations.

We will arrange to pick up early-arriving SAAST students at the airport, just as we will do on Sunday for students arriving at the regular time; you will receive more information about this in the next mailing if you enroll in SAAST.

Please fill out the form below if you plan to make use of the early move-in option.

I intend to move in to the residence hall for SAAST one day early, on July 12, 2008. I understand that during that time I will be expected to abide by the regulations regarding student conduct in SAAST, including curfews and campus boundaries.
