Instructions to the Petitioner: This Petition should be used to seek an exception to the School’s academic rules, regulations, or curriculum requirements. You must attach a completed, up-to-date CPG if you are seeking an exception to a Curriculum Requirement. You must discuss your petition request with your Faculty Advisor and obtain your advisor’s signature.

NOTE: Students in single degree programs should address their petitions to their schools. Dual- and joint-degree* students should address their petitions for degree requirement exceptions to the school(s) whose degree requirements are affected; in some cases, a petition to both schools will be required. All other petitions for exceptions (e.g. late drop, late add, late withdrawal, late change of grade type) should be submitted to the home school.

* ISB students should address their petitions for degree requirement exceptions to the ISB program office.

Turn in your Petition to your department’s Undergraduate Assistant, who will ensure that your petition will be reviewed by your Undergraduate Curriculum Chair. The departmental Undergraduate Assistant will deliver your signed petition to the Office of Academic Programs’ Petition Committee for a decision.
