Department of Computer Science
Electronic Design Automation**

CS286.5b, Winter 2000

Background Questionnaire

Tuesday, January 4

Please answer the following questions to the best of your knowledge. This will help me plan the course.

1. Name:
2. Email address:
3. Your status and year (*e.g.* G1):
4. Current research project and advisor (if you have):
5. Other technical and research interests:
6. Other courses you are taking this semester:
7. What is your background in each of the following:
(listing course numbers for Caltech courses is fine)
 - VLSI
 - Algorithms
 - AI
 - OR (Operations Research)

8. Why are you interested in this particular course?
(*e.g.* do you have particular (research) applications in mind?)

9. What do you expect to learn from the course?
