Instructions for Poster Preparation, Presentation, and Posting
PAUER Symposium 2010

Poster Session: TBA

Requirements: Submit your poster in PowerPoint format to pauers@seas.upenn.edu the day before the poster session.

Prepare a full-size poster for the poster session.

Format: Slide #1: Title Slide
Title of project
Name of advisor, laboratory, and department
Your name
Names of other people on project (if applicable)

Slide #2: Background
Background of your project
The motivation for your work
Why your work is significant

Slide #3: Hypotheses/Objectives

Slides #4 – 7: Methods and Results
Include a block diagram or flow chart of significant methods or protocols

Slide #8: Discussion

Slide #9: Conclusions, Future Directions, References, Acknowledgements
Please be sure to acknowledge your advisor’s grant

Presentation: If possible, posters should be printed professionally (ex: Kinko’s, Weigle Information Commons in Van Pelt, IKON Copy Center in Levine). Presenters are required to stay for the entire duration of the poster session and to dress professionally.

Posting: TBA

Questions should be directed to pauers@seas.upenn.edu.
