The Mentoring Program in Chemistry is currently signing up students in CHEM 101 for mentoring groups. You will:

- Meet weekly with 4-5 of your classmates and a senior student in chemistry

- Discuss problems, concepts, and learning techniques with your mentoring group

- Have access to “Mentoring Madness” sessions before major examinations

- Have fun!

For more information and to signup, please visit: www.rescomp.upenn.edu/mentoring

*Signups will close 22 September, 2004*
