_____ ____ ____
Date (mm/dd/yy)

Course Registration Permit for Time Conflict

_____ _____ –   _____
Name   Penn ID#

_____ _____ –   _____
Program Name/Major   Degree

Dual Master's degree within Engineering? If yes, please list your second program/major here:

Term and year the course is impacted by:

Student must list course ID in full (example 'EAS 500 001' or 'EAS 5000 001') for proper completion of registration.

- Course 1 should list the course that the student is already registered for.
- Course 2 should be the conflicted course that the student is requesting registration for.

Course 1: _____-____ _____ _____   _____
       Dept   Number   Section   Instructor signature   Date

Course 2: _____ _____ _____   _____
       Dept   Number   Section   Instructor signature   Date

If the conflicted section has a recitation, lecture, or lab associated with it, please list that here in the notes section for proper registration (incomplete registration can be automatically dropped by the registration system.)

Please note current Accelerated Master's/submatriculants are not able to use this Graduate form. All course issues must go through the home undergraduate department and school.
Questions on course conflicts should go first to the student's program coordinator, then if unable to answer, please direct questions to Graduate RAS.

Return completed form to Graduate Research and Academic Services (RAS) Office for processing and review (graddean@seas.upenn.edu).
