Project plan and timeline

Team number on Canvas
Title:
Team members:

1. Summary of the project

2. What are the different components (eg. Data collection, UI etc)?

3. What are the dependencies between the components (eg. X needs to be completed before Y or part of X is needed for Y)?
4. What is the project timeline? What are the milestones and their projected deadlines?

5. What are the risks for each milestone that could cause the above timeline to be delayed?

6. Is there a plan for division of work between the team members? If so, list here.
